

**In the United States District Court  
for the Southern District of Georgia  
Waycross Division**

CORNELIUS L. PENDER, SR.,

Plaintiff,

v.

GENSYS ALLIANCE HEALTHCARE, et  
al.,

Defendants.

5:24-cv-85

**ORDER**

The Magistrate Judge issued a Report and Recommendation for the Court to dismiss without prejudice Plaintiff's Complaint based on his failure to follow this Court's Order and Local Rules and failure to prosecute. Dkt. No. 10. Plaintiff did not file Objections to this Report and Recommendation, and the time to do so has elapsed. In fact, this Court's mailings have been returned as undeliverable because Plaintiff is no longer in jail. Dkt. Nos. 11, 12, 13.

Accordingly, upon review, I find no clear error in the Magistrate Judge's Report and Recommendation and **ADOPT** the Report and Recommendation as the opinion of the Court. See Macort v. Prem, Inc., 208 F. App'x 781, 784 (11th Cir. 2006) (If no specific objections are made or no objections are made at all, "the appropriate standard of review for the report and recommendation

is clear error." ). I **DISMISS** without **prejudice** Plaintiff's Complaint based on his failure to follow the Court's directives and failure to prosecute. I also **DIRECT** the Clerk of Court to **CLOSE** this case and enter the appropriate judgment of dismissal and **DENY** Plaintiff *in forma pauperis* status on appeal.

SO ORDERED, this 10 day of January, 2025.

---

HON. LISA GODBEY WOOD, JUDGE  
UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF GEORGIA
